

# SECRETARY WALLACE PLEADS FOR FARMER

Says Agriculture Will Break Down If Profit Is Not As Great As In Other Pursuits.

Wichita, Kans., Oct. 25.—If agriculture does not yield a profit comparable to other pursuits then agriculture will suffer a break down, and the best young men will leave it for more attractive offers in the city. The ruin of other great civilizations came when agriculture failed to prove lucrative and was neglected for enterprising more alluring, said Henry C. Wallace, secretary of agriculture, in an address here tonight.

The farmer must also learn to produce approximately the amount consumed if he is to get a good price for his products. This year we raised one hundred million bushels more potatoes than we could consume, so the potato market was glutted and depressed.

"We are trying to give the farmer a free, open and competitive market for all he raises. We passed an emergency tariff to protect the farmer here from the big surplus of wool, meat and grain which was stored in European countries. The bill, which Senator Capper sponsored, gives the secretary of agriculture power to investigate the stock yards and the live stock commission merchants. We now have resident supervisors in all the large livestock centers of the country who have done much to eliminate robbing the farmer and has made of the livestock centers a much better marketing place for his cattle."

# TEACHERS COLLEGE DEFEATS TARKIO

Springfield, October 27.—Playing a fast, driving brand of football the Teachers College Bears yesterday overwhelmed the Tarkio aggregation by a score of 50 to 0. The Bears outplayed the Tarkio outfit in every department of the game, with the possible exception of forward passing. The visitors, finding in the later stages of the game that the pass was their only strong point, attempted the pass time and again in a frantic endeavor to score.

Cherry, playing left halfback for the Bears, was the outstanding star of the game. His best showing was running. Rose, at fullback, went through the Tarkio line as often as he carried the ball for eight and ten yard gains. Reynaud, right halfback, Henderson, fullback, and Reeves at right tackle, showed exceptional ability. The Teachers college line at all times proved a veritable stone wall when the visitors attempted line plunges.

The real star of the Tarkio team was the diminutive Kyle, who played the quarterback position throughout the game. He worked well both on offensive and defense.

The game opened with Tarkio winning the toss-up and choosing to defend the south goal. Reynaud received the kick-off and ran the ball back to the Tarkio 25-yard line. After working the ball to Tarkio's two-yard line the Bears were held for downs. Tarkio punted. After an attempt at a field goal by Reynaud, Tarkio punted again. The Bears again regaining possession of the ball, Reynaud scored a perfect field goal from the 35-yard mark for the first score of the game.

From then on the game was nothing but a story of touchdowns by the Bear team. The only time the Teachers college goal was in danger was shortly after the opening of the second half, Tarkio, having secured the ball, worked it down the field by a series of forward passes, to their opponents' 20-yard line, where an attempt made for a field goal was blocked.

# CHARMING PARTY IS GIVEN BY THREE YOUNG LADIES

One of the enjoyable events of the week was the Halloween party given by Miss Esther Reynaud, Miss Isabelle Johnston and Miss Christine Long at the country home of Miss Long just south of the city Saturday evening. The guests were received at the gate by ghosts who escorted them to the porch where they found that they had to crawl under ropes to enter. The porch was attractively decorated with corn stalks and pumpkins. They were received at the door by a witch who ushered them into the large living room and at the foot of the stairs stood an imposing ghost who led them upstairs to the "room of mystery," where they were to leave their wraps. The living room was dimly lighted from a light inside a large pumpkin which was placed in the fire place. The rooms were prettily decorated in autumn foliage, corn stalks and colors of black and gold.

The guests were in masquerade costume and there was much merriment while guessing the identity of each other. At 9:30 o'clock the masks were laid aside.

Interesting contest games were played, one of them being especially amusing was to pick up an apple in one's mouth out of a tub of water, and another one, while blind-folded, to place eyes upon a pumpkin.

Following a series of amusing games dancing was enjoyed until quite late. Punch and apples were served during the evening. The punch was served from a large black kettle suspended from poles over an imitative fire. Miss Martha Dobson and Miss Ellen Reynaud dressed in Halloween costumes, presided at the punch kettle.

At the close of the evening refreshments of sandwiches, pickles, pumpkin pie with whipped cream, and grape juice were served to the following guests: Misses Laura and Louise Rice, Florence and Ida Reynaud, Edna Walton, Fannie and Freida Combs, Corrine and Kathleen Dobson, Florence and Della Coudin, Martha Dobson, Ellen Reynaud, Neva Long; Messrs. Joe Paul Lane, Frank Miller, Ami Cuendet, Jr., Carl Medlin, George Reynaud, Walter Reynaud, Orby Etter, Fred Steele, Vernon Chumbley, Cecil Long, James Long, Percy Long and Frank Mourglia.

Miss Anna Moody, saleslady at the Halwe Novelty Company, is ill and unable to be at work.

Mrs. Martin Heeter and two children of Peirce City, spent Wednesday with her mother Mrs. Carrie Bear, returning home Thursday morning.

Mrs. A. L. Granger had the misfortune to fall after catching her foot on a loose board in the back of her yard, Friday morning, and her right arm was broken at the wrist and she was bruised on the side of her face. The injuries were quite painful but will not be serious.

# ADDITIONAL U. S. MARSHALS AT SPRINGFIELD

From the Springfield Republican.—Because of the recent dynamiting plots against Frisco property near Springfield and of the homes of Frisco workers within the city limits the force of the Deputy United States marshals stationed here to enforce federal injunctions against interference with interstate traffic and mails is scheduled to greatly enlarged today or tomorrow, deputies said last night.

At least 20 more men sworn in at Kansas City as deputies will be en route to Springfield from Kansas City some time today, it was said, and immediately upon their arrival new disposition of all the United States deputies stationed here will be made so as best to aid in preventing future dynamiting or other acts of depredation against Frisco property and homes of company men.

The exact size of the present force will not be made public, deputies said, but it was said that it is considerably larger than the number of men expected to be added here.

Recent dynamitings in this region include the blowing up of track near Haseltine station, the placing of dynamite, which failed to explode, in a frog east of the city, the unsuccessful attempts to blow up the homes of two Frisco workers on the north side. Two Negroes slugged a Frisco worker at Washington and Phelps this week.

Rewards totaling \$4,500 are now outstanding for the dynamiting cases. Of these rewards the Frisco offers \$1,000 for the information leading to the capture and conviction of the person or persons responsible for each of the following: Dynamiting of the tracks near Haseltine, the placing of dynamite in the frog east of town, and dynamiting of the Frisco man's residence here. The Frisco also has a \$500 reward posted for the dynamiting of a locomotive at Monett recently. The city of Springfield and the Chamber of Commerce each offer \$500 reward leading to the arrest and conviction of persons dynamiting houses in the city and the city from such dynamitings anywhere in the county.

# STATE G. O. P. OPPOSES PERSONAL INJURY LAW

St. Louis, Mo., Oct. 28.—Thousands of pamphlets are being sent out by the republican state committee urging voters throughout the state to vote "yes" for each of the 19 referendum and initiative proposals to be submitted November 7, with the exception of proposal number 18.

Proposal number 18, submitted under the initiative law, seeks to enact a personal injury law which is being urged by certain St. Louis labor leaders who are opposed to the workmen's compensation law passed by the last legislature.

The workmen's compensation law was suspended by referendum and is being submitted to a vote November 7. It is proposal number 11. It is backed by the republican state committee and by the Missouri State Federation of Labor.

# SUNDAY SCHOOL CLASS SURPRISES CLAIRE FOWLER

The Don't Worry Class of the Methodist Episcopal Sunday school and their husbands gathered at the home of Mr. and Mrs. Claire Fowler on East Bond street Friday evening and surprised Mr. Fowler, it being his birthday anniversary. The home was elaborately decorated with Halloween symbols. There were many clever amusements for the evenings diversion. Miss Julia Campbell was dressed as a ghost and presided over a grab basket in which each guest grabbed for a prize. A fortune telling wheel created much fun and laughter. The guests would spin the wheel, stopping at miniature pumpkins on the back of which were written fortunes. The spinners read their fortunes aloud, for the amusement of the others. In a bean guessing contest Mrs. B. P. McCaslin guessed the correct number of beans in a bottle and was awarded the prize. Many other games were played and late in the evening a lunch consisting of sandwiches, potato chips, salad, pickles, wafers and candy was served.

Those enjoying the affair were Mr. and Mrs. Monett H. Myers and baby, Mr. and Mrs. Laverne Harrod, Mr. and Mrs. Bryan Miller, Misses Jessie Hall, Julia Campbell, Fern Loutzenhiser, Marguerite Burg, Jessie Burgess, Ursula and Lila Williams, Gertie Floeth, Mrs. B. P. McCaslin, Mrs. P. W. Myer, Mrs. Ada Agan and daughter of Webb City, Ralston Campbell and Mr. and Mrs. Fowler.

# MONETTS SECOND BEATS VERONA 26 TO 0

The Monett High school second team went to Verona Thursday for their first game of the season. The game started with Monett kicking. Verona was forced to kick out. Monett then lost the ball on a fumble. After that Monett held Verona far down and then received the ball, made downs when Blackwell got away for a 14 yard run for the first touchdown of the game. Monett failed to kick goal. Monett again kicked and Verona was held for downs. The first quarter ended by Blackwell getting away for a 40 yard run. The first few minutes of the second quarter the ball changed hands several times. This was ended by Verona kicking on her 10 yard line. Long caught the punt and ran 40 yards for a touchdown. Monett failed to kick goal. The last part of the second quarter was the hardest part of the game and no more touchdowns were made during that half. Both of the teams worked their best at this time and both showed up well.

The second half, Verona received and got away with a 15 yard pass. Then they punted and Monett made downs through the line and Blackwell got away for 15 yards. Monett lost the ball on Verona's 1 yard line. Verona punted. Monett kicked the ball over the goal. This brought the ball out of Verona's 20 yard line. After making 15 yards on a fake and making downs they lost the ball to Monett. The last quarter started by Ragsdale making 35 yards for Monett on an end around play. Blackwell then got off for another 35 yards and a touchdown. Monett kicked goal. The rest of the game Monett continued to make gains through the line except for losing on downs once and another time because of an intercepted pass. Near the end of the game there was a free for all fumble in which the ball was in possession of each team several times. Blackwell finally held it and gained 25 yards for Monett. Monett then plunged 10 yards for the last touchdown of the game. Monett kicked goal. Only 3 minutes was left when Verona kicked to Monett. The game ended with Monett in possession of the ball on Verona's 40 yard line.

Blackwell was probably Monett's star especially on end runs. Lane however was first in line plunging. F. Richardson played a heady game at quarterback and Capt. Davis showed his football genius by picking a team that could win. Verona's entire backfield played a game that was hard to beat, and according to Monett's line Verona put up a strong line. The teams were about evenly matched and both played a clean game.

The passing was fairly good on both teams Verona making several of her gains by that method; Monett completed several good passes three of which are worthy of mention, a 20 yard pass to Ragsdale, 35 yard pass to Kirchner and a 15 yard pass through Verona to Blackwell.
